

NATURAL DEO

with organic aloe vera, free from aluminium

Provides comprehensive protection against unpleasant body odours - purely natural cosmetics! It also nurtures the skin with organic aloe vera.

Active ingredients:

Betaine: extracted from sugar beet molasses. It provides moisture and soothes the skin.

Organic aloe vera: is moisturising and soothes weathered, irritated skin.

Sage extract: antiperspirant, astringent and antimicrobial. Effective against all bacteria types which cause undesirable body odours.

Saccharomyces ferment: is a type of yeast culture with strong anti-odour properties.

Apple water: provides the skin with micronutrients and mineral salts. Its essential oils have a delicate apple aroma.

Triethyl citrate: produced using sugar beet, this is responsible for the deodorising effect of the deodorant.

Glycerine: provides moisture and smooths the skin.

The five pillars of RyBeauty Cosmetics

1. **Care and repair:** Aloe vera ensures a gentle treatment and provides the body with substances it requires for its own regeneration processes. Apple water provides the skin with micronutrients and mineral salts.
2. **Protection:** Sage extract strengthens the skin's protective layer.

3. **Anti-ageing:** The moisturising ingredients help to produce smoother skin.
4. **Natural cosmetics:** With the "Natru" seal, we confirm that our products meet 100 % of the requirements for natural cosmetics.
5. **Hypoallergenic:** Only well-tolerated substances are used in the products. The products have been dermatologically tested.

As with **all RyBeauty Products** our Natural Deodorant is

- free from petrochemicals and mineral oils
- free from paraffin
- free from silicon oils
- free from petrochemical substances
- free from synthetic fragrances
- free from sodium-laureth-sulphates and sodium-lauryl-sulphates
- Natural cosmetics given the Natru seal of approval
- Dermatologically tested on skin
- free from allergens
- free from preservatives
- with plankton extract - the power of the sea

Application

Spray one shot onto clean armpits.
